Vancouver International Airport's South Terminal

Pacific Coastal Airlines operates from the South Terminal of the Vancouver International Airport (YVR). Parking is also conveniently located across from the South Terminal Building. Parking is administered by the YVR Airport Authority, and prices are subject to change without notice.

YVR Airport provides a complimentary shuttle service between the South Terminal and Main Terminal. Passengers utilizing the shuttle service from the Main Terminal should be available to take a shuttle to the South Terminal early enough to arrive at the South Terminal 60 minutes prior to their scheduled flight departure time. Please visit [YVR's website](#) for the shuttle schedule and further information.

Identity Screening Regulations

As per Transport Canada, Identity Screening Regulations require all passengers who appear 18 years of age or older to present valid identification at check-in and flight boarding. Bringing the right identification to the airport will help with a quick identity verification and check-in process. For more information regarding the approved identification required for domestic air travel please visit the Government of Canada's [Documents Needed for Air Travel information page](#).
